Nuclear Science Week™

SAVE THE WEEK
October 20 - 24, 2025

Starting in September and continuing beyond, local events will spotlight the impact of nuclear science showcasing innovation, contributions, and dynamic careers across science, technology, engineering & math fields.

DATES & ACTIVITIES ARE SUBJECT TO CHANGE

2025

- **September 20** — Science Education Enrichment Day STEM Festival
- **September November 2025** — CNTA Up & Atom Breakfast
- **October November 2025** — USC Aiken Center for Lifelong Learning Series
- **October 4** — New Ellenton Atomic City Festival
- **October 8, 21** — Aiken Technical College Job Fair [10-8] and Information Session [10-21]
- **October 11** — CNTA Oyster Roast & Low Country Boil
- **October 17** — CNTA Nuclear Science Week Special Edition Magazine

2025

- **October 16** — Savannah River National Laboratory Behind the Science Virtual Tour
- **October 18** — Savannah River Site Museum Fall Fission Festival & Museum Tour
- **October 20, 21, 22, 23** — Augusta Technical College Exploring the Unknown with Nature's Hidden Language Sessions
- **October 20, 21, 22, 23, 24** — Southern Nuclear Plant Vogtle Site Tours
- **October 27 thru November 14** — STEM Career Connections® Virtual Event [Pre-Recorded Video]
- **October 21** — Savannah River Site On-Site Tours (Private Event)
- **October 23** — American Nuclear Society Nuclear Trivia Night

2025

- **October 2025** — CNTA Teach-Ins & Demonstrations
- **October 2025** — Savannah River National Laboratory Classroom Demonstrations & Educator STEM Kits
- **October 2025** — Ruth Patrick Science Education Center Student Programs
- **October 2025** — Savannah River Ecology Laboratory Outreach Education Programs
- **October 2025** — Savannah River Site Women in Nuclear Virtual Jeopardy Game & 10 Year Celebration
- **October November 2025** — Savannah River Site STEM That Travels & STEP Field Trips & Virtual Field Trips
- **October 2025** — USC Salkehatchie Nuclear Science Activities

2025

- **November 21** — CNTA Edward Teller Lecture
- **November 15** — Savannah River Site STEM Like a Girl [Introduce a Girl to Engineering & IT]
- **October 21** — Augusta University Nuclear Information Table

2026

- **Deadline Feb 28, 2026** — CNTA Educator Grant Program & High School Essay Contest (2026)
- **Deadline May 4, 2026** — ANS Benjamin Memorial Scholarship (2026)
