Email office@cntaware.org for questions, to RSVP, and for sponsorship opportunities.

**CNTA Patron members receive one half-price ticket. Benefactor, Advocate & Champion members receive one free ticket to event and private reception (held at 5:30pm). Attendance at both for guests of invited members is a total of \$65/guest. Contact CNTA for information.*

Join us for this remarkable opportunity to hear the SRS story through the voices of three individuals who were there at the beginning:

- Margaret Rountree, a former Dunbarton native;
- Ellyn McNair, who arrived as a high school senior; and
- Walt Joseph, a newly married young professional out of Penn State.

Come hear their stories.

We will also recognize the 2025 SRMC Science Scholarship Winner, the 2025 Distinguished Scientist Award Winner, the 2025 Nuclear Service Award Winner, and the many other grant awardees and contest winners for CNTA throughout the year.
